

## KINGS SCHOOL EASTER ADDITIONAL ACTIVITY PROGRAMME

Each day at camp is filled with so much fun and excitement your child will have a great time with us, whether they sign up for Additional Activities or not.

If you think they would enjoy something just that little bit extra, then we offer a programme of Additional Activities which will add something to their day that they will certainly remember. Using specialist equipment or inviting guest coaches and teachers to support with the delivery of this programme, these activities are always very popular.
